

## Feedback from Community pilots of ACE

“ACE definitely is a useful tool to help discussion and understanding within our group. It gives a good opportunity to be honest, brutal even, about the project, group, enterprise and their goals”. Julia Rekia, Pearls of Peace

“ACE presents a range of complex ideas in a “safe” way via a game. Input and facilitation would take the game to a different level”. Matthew Toreson, N'ton LIO

“The ACE toolkit was very clever – absolutely brilliant”.  
Julia Reiki, Pearls of Peace

“ACE is a good analytical tool to really focus on the issues and the strategy to achieve outcomes and successes.”  
Ania Tarasiewicz, Arabic Supplementary School

“ACE keeps the discussion focussed in bite-sized chunks, easy to digest and manage.”

AniaTarasiewicz, Arabic Supplementary School

ACE gives you more awareness of the bigger picture. It creates open discussion of things we may not have thought of, and it was structured.”  
Dalia Panayis, Greek Supplementary School

“It was easy to play since the cards had information on them to help us”. Rutendo Nyatsine, Zimwomen

The diamond cards are great – draws us in because otherwise we could feel disheartened.” Dalia Panayis, Greek Supplementary School
